## NEAPOLITAN COFFEE

Our Tico coffee has been toasted, blended & packed by the Mazza family in Naples for generations. I'll never forget the unforgettable aroma of coffee down Via Roma as a child as coffee was being roasted in the typically Neapolitan ground floor homes of the city's dark lanes.

# PROSECCO

Let me set the record straight, Prosecco isn't Italian Champagne, sure it sparkles, but it's an entirely different wine, made exclusively from the glera grape, using a different production technique. We've travelled the Veneto, and partnered with producers like Andreola and Terre di San Venanzio to offer you Prosecco not available anywhere else in the UK - with all styles by the glass and at fantastico prices! Salute!
