

APERITIVO

Italy excels at many things but few as revered as the little crescent of space between 'work' and 'play' called Aperitivo.

We firmly believe a little something alongside your Aperitivo ignites the appetite and creates a desire for more. The very essence of Aperitivo represents a window into understanding the importance of ritual and leisure to Italy's identity.

So eager are we to bring this endearing social act to Piccolino, the snacks that typically accompany Aperitivo – known as 'Cicchetti' in Venice are on us between 4pm and 6:30pm! Buono Appetito!
