## NEAPOLITAN COFFEE

Our Tico coffee has been toasted, blended & packed by the Mazza family in Napoli for generations. I'll never forget the unforgettable aroma of coffee down Via Roma as a child as coffee was being roasted in the typically Neapolitan ground floor homes of the city's dark lanes.

### PIZZETTE

#### ARRABBIATA

# PROSECCO

Prosecco is native to the north east of Italy, produced from glera grapes in the Venetian hills around the town of Treviso. Prosecco DOC production spans the regions of Veneto & Friuli-Venezia Giulia. Prosecco Conegliano Valdobbiadene Superiore DOCG can only be made in the province of Treviso in the hills between Conegliano & Valdobbiadene but it's the juice from the grapes harvested on the famous Cartizze hill that contribute to what is widely recognised as the Grand Cru of Prosecco.

## PROSECCO ROSÉ

Still like the Prosecco you know & love – but bubblier & packed with ripe red fruit, and the best bit – every bottle of Prosecco Rosé is 'millesimato' making it even more special than your typical Prosecco as the grape juice inside the bottle is from a single harvest!
