Champagne Cristal Brut   Reims, France 60% Pinot Noir, 40% Chardonnay	£925.00

We love working with winemakers who grow their grapes organically and work in sync with nature rather than against it. Wines in this section have been certified as being made from organically grown grapes with only natural methods used for controlling insects, disease and weeds. No herbicides, pesticides or chemical fertilisers were used in their production and only approved natural substances were applied in the vineyards and the winery. The use of sulphur dioxide as a preservative is dramatically lowered versus conventionally made wines.
